Part #914-000070

Support work from anywhere

Now more than ever, government departments and agencies need to ensure team can collaborate seamlessly, wherever the mission calls. Whether staff are stationed in the office, working remotely, or supporting operations in the field, Sync empowers IT to remotely manage devices and workspaces securely and efficiently. That means greater visibility, control, and reliability across locations, so teams stay mission-ready and focused on public service outcomes.

TEAM WORKSPACES

VIDEO COLLABORATION SOLUTIONS

Effective collaboration is critical for government agencies to achieve their mission objectives. Logitech’s video conferencing solutions empower government personnel and inter-agency teams to securely communicate, exchange information, and address operational challenges. Logitech provides versatile solutions tailored to government needs—from administrative meetings and remote public service delivery to strategic briefings—with flexible deployment options including Bring Your Own Device (BYOD) setups for huddle rooms or mobile carts, as well as secure appliance-mode and PC-based configurations.

Logitech solutions are certified for leading collaboration platforms including

...and more

TAP SCHEDULER
Purpose-built scheduling panel for meeting rooms
Part #952-000091

RALLY CAMERA
Premium PTZ camera with Ultra-HD imaging system and automatic camera control
Part #960-001226

MEVO
Wireless streaming camera with interchangeable lens
Part #961-000498 (Mevo Start)
Part #961-000508 (Mevo Core)

Case study:
Modernizing spaces for a hybrid workforce

Wake County transformed its conferencing infrastructure by standardizing on Logitech and Microsoft Teams solutions. The county replaced inconsistent audiovisual setups with intuitive, flexible, easy-to-manage technology, optimizing remote collaboration and boosting employee efficiency. This modernization improved recruitment efforts and enhanced constituent services, setting a progressive example for hybrid workforce effectiveness in government.
