Signature Slim Combo MK955 For Business | Copilot Edition

Signature Slim Combo MK955 for Business Copilot Edition features a dedicated *Copilot* key that seamlessly adds the everyday AI companion to employee workflows. The keyboard and mouse combo also features laptop-style typing, precise and super fast scrolling, and multi-device switching to further improve productivity.

- **Unlock Copilot in Windows for everyone:** Seamlessly add *Copilot in Windows*¹ to everyday tasks by pressing the dedicated *Copilot* key.
- **Enhance your workflow in Windows:** This productivity powerhouse provides fast access to *Copilot in Windows*. It comes in a dedicated Windows layout and features multi-device switching and preset shortcut keys.
- **Laptop-style typing:** Low-profile keys are designed with a subtle “scoop” for familiar, comfortable typing. Ideal for touch typists.
- **SmartWheel technology:** Get precise line-by-line or super fast scrolling with a flick of the SmartWheel.
- **Quiet typing and clicking:** Stay focused with keys and clicks that are quiet. Silent Touch technology produces 90% less click noise² from the mouse.
- **Logi Bolt wireless technology:** Offers secure and reliable wireless connection even in congested wireless environments.
- **Designed for a positive future:** Made with a minimum of 63% post-consumer recycled plastic³ and FSC™-certified packaging to reduce impact on the environment.

¹ Copilot in Windows has specific system requirements, works with Windows 11 or later, and is available in select global markets. Functionality may be limited. May require a separate subscription. When Copilot in Windows is not enabled on the device, pressing the Copilot key will launch Windows Search.

² Click noise reduced by over 90% compared to Logitech M185. Left click and typing dBA level measured by an independent lab at 1 meter.

³ Excludes plastic in printed wiring assembly (PWA), cables, receiver, and packaging.

⁴ Wireless range may vary based on users and computing conditions.

⁵ Battery life may vary based on users and computing conditions.

⁶ Available on Windows and macOS at logi.com/tune.

⁷ Requires Logi Tune downloaded on individual devices.
