## Tap into better meetings

Enhance team collaboration and simplify meetings with versatile video conferencing solutions.

A compact, powerful Dell OptiPlex 7000 XE Micro with Intel® Core i7™ Processor and Logitech Tap provides a high-performance, secure, and reliable video-enabled conference room solution. The bundle includes Logitech Tap and Dell OptiPlex 7000 XE Micro desktop preconfigured and certified for Microsoft Teams Room. To complete the conference room solution with clear audio and video, add Logitech Rally Bar, Rally Bar Mini, Meetup 2, or a Rally Videoconferencing Kit.

Starting and managing video meetings, inviting guests, and sharing content is now simpler. Just tap to begin.
