Signature Wired M520 L for Business

Signature Wired M520 L for Business is an ambidextrous mouse that offers an improved user experience with *USB-C* wired connectivity. Provides super fast scrolling and a customizable DPI button. Ideal for companies or industries that require wired solutions for reliability, physical security, or shared workspaces.

logitech[®]

- **A mouse for everyone:** The ambidextrous mouse is shaped for comfort and improves productivity for both left- and right-handed users.
- **SmartWheel technology:** Switch between super fast or precise, line-by-line scrolling with a flick of the SmartWheel.
- **Quiet clicking:** Stay focused with quiet clicks that are light to the touch. Silent Touch technology produces 90% less click noise.²
- **Customizable DPI button:** One-click to adjust mouse cursor speed on bigger screens. Customize the button for other shortcuts via Logi Tune or Logi Options+.¹
- **Multi-OS compatibility:** The mouse works with *Windows*, *ChromeOS*, *macOS*³, and *Linux*³, making it easy to deploy across the company.
- **Improved power efficiency:** Signature Wired M520 L is designed with a power-saving model that consumes 68% less energy.⁴
- **Designed for sustainability:** Made with a minimum of 73% post-consumer recycled plastic⁵ and shipped in FSC[™]-certified paper packaging.
